

## UV-6000/Premier Set

- Two models to choose from (30 & 36").
- Unique one of a kind seven piece log set.
- Engineered to produce the ultimate in realism.
- Fills even the largest of fireplaces.
- Massive rustic oak logs.

Distinct Yellow Flames

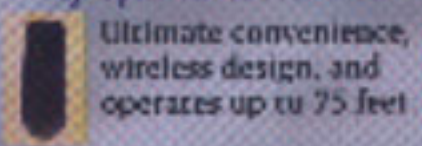

## EF7000

- Vent Free Glowing Ember Bed
- Unique dancing yellow flames
- Exceptional realism
- Engineered for worry free operation. No loose embers, plus clean & efficient burn.

### Most Units Feature:

a) Optional Remote Control

Ultimate convenience, wireless design, and operates up to 75 feet

b) Optional Wall Thermostat

Controlled comfort, patented design, and increased efficiency. (Manual or Digital)

c.) Double Burner System

For more than a plain single line of flame plus the maximum allowable Btu's.

f) Optional Decorative Volcanic Ash

Adds that extra touch of realism.

g) Fingertip Control

Turn on the flames with a flip of the switch.

Approved for Manufactured Housing (Mobile Home).
